1. ACCOMODATIONS

CLS/JCOMMOPS

8-10, rue Hermès,
Parc Technologique du Canal
31520 Ramonville Saint-Agne
France

Tel. : +33 (0) 5 61 39 47 00

Tel : + 33 (0) 5 61 39 47 30 (Mathieu Belbeoch)

Tel : +33 (0) 5 61 39 09 (Yann Bernard)

Fax : +33 (0) 5 61 75 10 14

The venue can be easily reached by the Metro from Toulouse downtown (there is a free bus shuttle from the metro station to CLS every 15 minutes, total travel from city centre to CLS are ca. 30 minutes, including metro + bus shuttle 7 minutes).

We would suggest that you stay downtown as this is a much better area than the CLS area which is outside the city, and not the most exciting place for after meeting activities.

The Metro station is "Ramonville" (terminus of line B), bus shuttle ("navette" in french) number is 111, and can be taken just outside the metro station, stop is "Hermès", just in front of CLS .

Since there are plenty of hotels in Toulouse you should not have a problem to find one that does suit you. Toulouse is a relatively small town (at least the city center). To find a map of the city center search for "Place du Capitole, 31000 Toulouse", i.e. Toulouse main plaza, city hall, on [maps.google.com](https://www.google.com/maps).

We are not planning to book any block in a particular hotel, as you should be able to find a reservation.

Specified below is a list of selected hotels.

In France, Two star hotels are generally OK, and rather economic compared to three or four-star hotels. Three star hotels are supposed to be more comfortable (and of course more expensive) with more services, while four-star hotels are the most expensive.
